B. The inclusion of the title foreman/Road Department in this unit at this time shall not affect the Township's right to bring a Clarification of Unit Petition before the Public Employment Relations Commission to remove said title from the unit if warranted after performance of the title.

C. Titles herein shall be defined to include the plural as well as the singular, and shall include males as well as females.

ARTICLE II

TOWNSHIP RIGHTS AND RESPONSIBILITIES

A. In order to effectively administer the affairs of the Township and to properly serve the public, the Township hereby reserves and retains unto itself, as public employer, all the powers, rights, authorities, duties and responsibilities conferred upon and vested in it by law or otherwise prior to the signing of this Agreement. Without limitation of the foregoing, the Township's prerogatives include the following rights:

1. To manage and administer the affairs and operations of the Township;
2. To direct the Township's working forces and operations;
3. To hire, promote and assign employees;
4. To demote, suspend, discharge or otherwise discipline employees;
5. To maintain efficiency of the Township's operations;
6. To determine the methods, means, job classifications and personnel by which such operations are to be conducted;
7. To relieve employees from duties because of lack of work or for other legitimate reasons;
8. To determine reasonable schedules of work and establish methods and processes by which such work is to be performed;

Article II continued
Township Rights and Responsibilities:

9. To take whatever actions may be necessary to carry out the responsibilities of the Township;

10. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and

11. To promulgate rules and regulations from time to time, which may effect the orderly and efficient administration of municipal government.

B. With respect to paragraph A above, the Township's use and enjoyment of its powers, rights, authorities, duties and responsibilities, the adoption of its policies and practices or the promulgation of rules and regulations in furtherance thereof, and the exercise of discretion in connection therewith, shall be limited only by the terms of this Agreement and to the extent that the same conform to the laws of New Jersey and of the United States.

C. Nothing contained in this Agreement shall operate to deny to or restrict the Township in the exercise of its rights, responsibilities and authorities pursuant to the laws of this State or the United States.

ARTICLE III
GRIEVANCE PROCEDURE

A. DEFINITIONS

1. The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of this Agreement, and may be raised by an individual unit employee, a group of unit employees, or the Council at the request of any such individual or group (hereinafter referred to as the "grievant"), or by the Township.

2. The term "immediate superior" as used herein means the person to whom the aggrieved employee is directly responsible under the prevailing table of organization of the Township of Jefferson. In the event an aggrieved employee has any question as to the identity of his immediate superior, he shall ask the Township Administrator to determine the immediate superior. The foregoing references to table of organization and determination of immediate superior are for informational purposes only, it being expressly understood that the nature, scope and formulation of a table of organization, and the determination of an employee's immediate superior, are non-negotiable, non-grievable, and non-arbitrable subjects over which the Township reserves total discretionary authority and control.

B. PURPOSE

The purpose of this grievance procedure is to secure an equitable solution to grievances as herein defined. The parties agree that grievances should be resolved at the lowest possible administrative level. Therefore, no grievance shall

Article III continued
Grievance Procedure:

by-pass any step of the grievance procedure except as expressly provided herein and any failure to prosecute a grievance within the time periods provided shall constitute an absolute bar to relief and shall estop the grievant from prosecuting his grievance in any forum thereafter. The instant grievance procedure constitutes the sole and exclusive method for raising and disposing of controversies within the definition of the term grievance as herein provided.

C. PROCEDURE - EMPLOYEES

1. Step One - Immediate Superior

(a) A grievant must file his grievance in writing with his immediate superior within five (5) working days of the occurrence of the matter complained of, or within five (5) working days after he would have reasonably been expected to know of its occurrence. If the grievant's immediate superior is the Department Head, the grievance shall be initially presented at Step Two, but in all other respects the provisions set forth in Step One shall govern.

(b) The written grievance must identify the grievant by name(s); if filed by the Council must certify that it has been filed at the request of the grievant; must be signed by the grievant and, if filed by the Council, by the Council's representative as well; must set forth with particularity a clear and concise statement of the facts constituting the grievance, including the specific action or failure to act

Article III continued
Grievance Procedure:

alleged, the time and place of occurrence of such specific action or failure to act, the names of all Township representatives whose action or failure to act forms the basis of the grievance, the names of all witnesses the grievant intends to present, and the specific contract provision(s) forming the basis of the grievance, explaining the precise question of interpretation, application or alleged violation of such provision(s) underlying the grievance; and must set forth with particularity the remedy sought by the grievant. Any written grievance failing to comport with the foregoing requirements of specificity and identification shall be null and void, need not be processed by the Township, and shall constitute an abandonment of the grievance. The matters and persons specified and identified in a written grievance shall not be expanded upon or added to subsequent to its filing, and the grievant shall be precluded from raising or presenting additional facts, witnesses, or contract provisions thereafter, except with the express written consent of the Township.

(c) Once a grievance comporting with the foregoing requirements of specificity and identification is timely filed, the immediate superior shall investigate the grievance and render a written response, which shall be served upon the grievant. In the course of his investigation, the immediate superior may consider the matters contained in the written grievance, and may also schedule a meeting with the grievant

Article III continued
Grievance Procedure:

within three (3) working days after receipt of the grievance. The immediate superior's response shall be served within five (5) working days after receipt of the grievance, or if a meeting has been held as aforesaid, within five (5) working days after the date of such meeting.

2. Step Two - Department Head

In the event the grievance is not resolved to the grievant's satisfaction at Step One, or in the event the immediate superior has not served a timely written response at Step One, then within five (5) working days after the response date set forth in Step One the grievant may present the written grievance and any written response received at Step One to the Department Head, together with a written statement of the grievant's dissatisfaction with the results at Step One. If the Township Administrator is serving as Department Head, Step Two shall be by-passed and the grievance presented at Step Three. Upon receipt of the grievance by the Department Head, the procedures set forth in Step One shall be followed, except that the meeting date period shall be five (5) working days and the response period shall be ten (10) working days.

3. Step Three - Township Administrator

In the event the grievance is not resolved to the grievant's satisfaction at Step Two, or in the event the Department Head has not served a timely written response at

Article III continued
Grievance Procedure:

Step Two, then within five (5) working days after the response date set forth in Step Two the grievant may present the written grievance and any written response(s) received at Steps One and/or Two to the Township Administrator, together with a written statement of the grievant's dissatisfaction with the results at Step Two. Upon receipt of the grievance by the Township Administrator, the procedures set forth in Step One shall be followed, except that the meeting date period shall be ten (10) working days and the response period shall be twenty (20) working days.

4. Step Four - Arbitration

(a) In the event the grievance is not resolved to the grievant's satisfaction at Step Three, or in the event the Township Administrator has not served a timely written response at Step Three, then within five (5) working days after the response date set forth in Step Three the grievant may notify the Township Administrator in writing of the grievant's intention to submit the grievance to binding arbitration, and shall request the Township Administrator to join in the submission.

(b) Within five (5) working days after receipt of the grievant's notice and request as aforesaid, the Township Administrator shall serve upon the grievant his written determination respecting such request. The Township Administrator shall join in the submission to arbitration if he determines that

Article III continued
Grievance Procedure:

the grievance relates solely to a controversy meeting the definition of "grievance"; was timely filed and timely processed through the applicable internal steps of this grievance procedure; comports with the requirements of specificity and identification hereinabove set forth; has not been improperly expanded upon or added to subsequent to its initial filing; relates solely to subject matter(s) within the required scope of negotiations as determined by the Public Employment Relations Commission and the Courts; and by way of remedy does not seek a result inconsistent with statute, administrative regulation or decisional law, inconsistent with the Township's management prerogatives set forth generally and specifically in Article II of this Agreement, or which would significantly interfere with such management prerogatives.

(c) In the event the Township Administrator determines to join in the submission to arbitration, or in the event the Township Administrator has not served a timely written determination, then within five (5) working days after the determination date set forth in Section 4(b) above the grievant may invoke binding arbitration by submitting a written request therefor to the American Arbitration Association, with a copy of such request to the Township Administrator. Thereafter binding arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, except as they may be expressly altered or modified herein.

Article 11I continued
Grievance Procedure:

(d) The arbitrator shall be required to deliver to the parties a written award, coupled with a written opinion setting forth detailed reasons for his award, by no later than thirty (30) days from the date of closing the hearings, or if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The arbitrator shall lack authority to modify, add to, subtract from, or in any way whatsoever alter the provisions of this Agreement, and shall be expressly bound by the considerations set forth in section 4(b) above notwithstanding any positions expressed thereon by the Township Administrator or the Township Administrator's failure to respond with respect thereto.

5. Grievance and arbitration meetings and hearings shall be held at mutually acceptable times and places, provided that such meetings and hearings shall not be scheduled during employees' regular working hours unless absolutely essential to a fair disposition of the grievance. The individual grievant shall have at his request an employee representative from the Council to assist in the resolution of the grievance at such meetings and hearings. In the event such meetings and hearings are scheduled during employees' regular working hours, the individual grievant, the participating employee representative from the Council, and any necessary employee witnesses shall be released from work without loss of regular straight time pay for the purpose of participating thereat. Requests for employee

representatives and witnesses shall be made to the Township Administrator in writing by no later than three (3) days prior to the date of any meeting or hearing, and meeting or hearing dates shall be scheduled considering the availability of all parties and witnesses and the needs of the Township.

D. PROCEDURE - TOWNSHIP

The Township Administrator may file a written grievance against the Council within five (5) working days of the occurrence of the matter complained of, or within five (5) working days after the Township Administrator would have reasonably been expected to know of its occurrence. Such written grievance shall comport with the applicable provisions of Paragraph C, Section 1(b) of this Article, and shall be mailed to the Council's attorney, Allen Hantman, Esq., 168 East Main Street, Denville, New Jersey, or to such other Council representative as the Council may hereafter designate in writing. The parties shall attempt to resolve the grievance through whatever means and by whatever methods they may mutually agree upon, but in the event the grievance remains unresolved by thirty (30) working days after its submission to the Council, the Township Administrator may invoke binding arbitration. To the extent applicable, the provisions of Paragraph D, Section 4 of this Article shall govern such arbitration.

ARTICLE IV

AGREEMENT NOT TO STRIKE OR LOBBY

A. The Council agrees that, during the term of this Agreement, neither it nor its officers, employees or members or other persons covered by this Agreement will engage in, encourage, sanction, support or suggest any strikes, work stoppages, boycotts, slowdowns, mass resignations, mass absenteeism, picketing or any similar actions, which would involve suspension or interference with, or disruption of, the normal activities of the Township. Any employee participating in these prohibited activities may be disciplined by the Township.

B. The council agrees that during the term of this agreement, they will refrain from lobbying before the Jefferson Township Council.

ARTICLE V

VACATIONS

A. Employees shall be granted vacation leave based upon length of service, pursuant to the following schedule:

<u>Length of Service</u>	<u>Vacation</u>
First (1st) year	one (1) day per month per calendar year from time of employment to December 31st
After the first (1st) year of service through ten (10) years of service	thirteen (13) working days
After ten (10) years of service through twenty (20) years of service	Sixteen (16) working days
After twenty (20) years of service	Twenty-one (21) working days

B. Vacations shall be scheduled on the basis of seniority in title.

C. An employee may request approval to carry over to the year immediately succeeding not more than ten (10) vacation days. No such carry over shall be approved without the prior written consent of the Department Head and the Township Administrator. Carry over will not be more than one (1) year, pursuant to N.J.A.C. 4:1-17.11. If a man is called in for emergency work while on an approved vacation day, he may be granted the vacation day that year or in the following year.

D. No employee shall be allowed to take one-half (1/2) day vacations.

E. The vacation schedule set forth in paragraph A above,

Article V continued
Vacations:

to the extent that it represents an improvement in the pre-existing schedule, shall be effective in calendar year 1978.

F. If upon termination from the Township's service, an employee has used more paid vacation leave than that to which he is entitled under this Article, he shall have deducted from his final pay an amount equal to his daily rate of pay for each day of paid vacation leave taken in excess of the number of paid vacation leave days to which he is entitled. For purposes of computing such entitlement, vacation allowance for the current year shall be prorated upon the number of months worked in the calendar year in which the termination from service becomes effective, and any paid vacation leave which may have been carried over from the preceding calendar year pursuant to paragraph C above.

ARTICLE VI

HOLIDAYS

A. Employees shall be granted holidays as designated below:

1. New Year's Day
2. Washington's Birthday
3. Good Friday
4. Memorial Day
5. Independence Day
6. Labor Day
7. Election Day, - Exchanged for 1978 day before
Independence Day.
8. Veteran's Day
9. Thanksgiving Day
10. Day after Thanksgiving Day
11. Christmas Eve
12. Christmas Day

B. Should any of the holidays designated above fall on a Sunday, the following Monday shall be an official holiday. Should any of the holidays designated above fall on a Saturday, the Friday immediately preceding the Saturday shall be an official holiday. Said official holidays shall be with pay.

C. To be eligible for a paid holiday, an employee must have worked the last scheduled day before and the first scheduled day after a holiday, unless on an authorized leave because of a bereavement, a vacation, or a sick day. If all sick time has been used, proof must be established of this fact.

D. Any employee required to work on any of the above

Article VI continued
Holidays:

holidays, or required to work on Easter Sunday, shall receive double his normal work rate, said increment to be included in the employee's check for the following pay period.

E. The holidays listed in paragraph A above, to the extent they represent an improvement in the pre-existing holiday schedule, shall be effective commencing in calendar year 1978.

ARTICLE VII

SICK LEAVE

A. "Sick leave" shall mean the approved absence from post of duty by an employee because of illness, accident or exposure to contagious disease of the employee, or attendance by the employee upon a member of the employee's immediate family seriously ill, requiring the care or attendance of such employee. For the purpose of this Article, "immediate family" shall mean a relative of the family residing in the employee's household.

B. Each employee shall be entitled to sick leave credits at the rate of one and one-quarter (1 1/4) days per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a prorata basis, he shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of sick leave taken in excess of the number to which he was entitled.

C. Each employee will be credited with fifteen (15) days of sick leave annually for each succeeding calendar year of full-time employment, which is accumulative. Sick leave cannot be used as terminal leave. There shall be no accumulated time under any circumstances for sick leave when leaving the employ of the Township. If upon termination from the Township's service, an employee has used more sick leave than that to which he is entitled, he shall have deducted from his final pay an amount

Article VII continued
Sick Leave:

equal to this daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he is entitled.

D. Each employee is required to notify his superior by one-half (1/2) hour before starting time on each day of absence. Should the employee be unable to reach the supervisor, then the Township Administrator's office should be notified. It is recognized that there may be instances when it is impractical or impossible to give daily notice, as in the case when an employee is hospitalized or seriously disabled, in which case it shall be sufficient that the employee or a member of the employee's family notify the supervisor or Township Administrator's office giving reason for absence and information as to the degree of illness or disability and the amount of time required for recuperation. Absent such instances the daily requirement of notice shall be enforced. Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive business days shall constitute a resignation pursuant to Civil Service rules and regulations.

E. A certificate from a reputable physician in attendance shall be required as proof of need of leave of absence or the need of the employee's attendance upon a member of the employee's immediate family. In the instance of leave of absence due to

Article VII continued
Sick Leave:

contagious disease, a certificate from the Department of Health shall be required.

F. Where any employee is absent from duty due to illness for less than five (5) days at one time, the Township may waive the required production of the physician's certificate. However, in the event of absence from duty due to illness for five (5) or more days at one time, the employee shall be required to submit a physician's certificate to his supervisor to justify payment of sick leave. An accumulation of ten (10) sick days, the days having been taken at various times, except as noted above, may be approved without a physician's certificate. All sick time in excess of ten (10) days must be accounted for with a physician's certificate if the time is to be approved with pay. The Township may, in its discretion, require examination by a physician appointed by it, prior to allowing an employee to return to work. The Township may require visits by the Township nurse to the homes of employees on sick leave.

ARTICLE VIII

OTHER LEAVES

A. Each employee shall be allowed leave with differential pay, if required for jury duty. A written request for such leave shall be given by the employee to his supervisor at least two (2) weeks in advance. When granted said leave, an employee shall receive the difference between pay received for jury duty and the employee's wages for the leave period.

B. The Township shall provide bereavement leave with pay not to exceed four (4) working days in the case of death of an employee's spouse, child, brother, sister, mother or father.

C. Time off, other than sick leave, vacations, holidays, bereavement or military leave, may be honored when warranted by the Township. For a leave without pay, the employee shall submit a written request to the supervisor at least thirty (30) days in advance stating the reason for the request, and the time required. This request will be forwarded to the Township Administrator and answered at least two (2) weeks in advance of the requested leave. If the employee's required absence exceeds the normal pay period, the employee shall be required to report to the Treasurer's office to make suitable arrangements for pension payments, insurance, hospitalization and other matters required during the leave period.

D. In cases of emergency, such as illness or accident, involving members of the employee's immediate family, the Department Head and the Township Administrator may grant permission to the employee to leave the job and attend to such

2. For calendar year 1978, all unit employees shall receive an across-the-board increase of seven and one-quarter (7 1/4%) percent.

3. For calendar year 1979, all unit employees shall receive an across-the-board increase of seven and one-half (7 1/2%) percent.

Employees who are required to work in excess of eight (8) hours in one (1) day, or in excess of forty (40) hours in one (1) week, shall be paid overtime compensation for all such hours worked at the rate of one and one-half (1 1/2) times their regular hourly rate. With respect to the forty (40) hour provision above, time taken from work for sick leave, personal days, or vacations, is included within the forty (40) hour base period to make an employee eligible for overtime compensation.

B. Employees assigned to remain on call at home, by either their Department Head or the general foreman, shall only be entitled to compensation at the regular overtime rate in accordance with the following schedule, and shall not have "on call time" included within their forty (40) hour base period for purposes of entitlement to overtime or otherwise have such time be considered as actual hours worked:
